ORDER :

In the Government Order first read above the Government have issued orders for giving incentive marks to the Medical Officers under three categories by considering their working places in the three categories based on the recommendation of the Committee constituted by the Government under the Chairmanship of Dr. P.Umanath, Managing Director, Tamil Nadu Medical Service Corporation. The details are as follows:

Category-(A) – Posts eligible for 100% of the maximum permissible incentive marks.

1. Posts in all Government Health Institutions located in hilly areas, as notified earlier in the prospectus for ADMISSION TO POST GRADUATE DEGREE / DIPLOMA / 6 YEARS M.Ch. (NEURO-SURGERY) COURSES 2016-2017

Session (As per G.O.(D) No.1680, Health and Family Welfare (ME) Department, dated 31.12.2015) and subsequent additions for new institutions in such areas, if any;

2. All posts in all Government Institutions in backward districts with difficult areas, having low density of doctors, high vacancies and poor health indicators, as per Annexure-I, except those posts excluded under Category (C).
3. Posts in all CEmONC/Trauma/Accident/Emergency care/NICU/SNCU Units, irrespective of the location of such units in any type of institution, district and geography.

Category (B), Posts eligible for 40% of the maximum permissible incentive marks.
Posts in all Government Institutions, except such institutions coming under Category (A) and (C).

Category (C) : Posts not eligible for any incentive marks.

1. Posts in all medical college hospitals, except such specific difficult areas of functions as defined in Category (A-3)
2. Posts in all Government Health Institutions located within municipal and corporation limits, except such areas defined under Category (A).

2. In the Government Order second read above, the Government have issued an amendment to the Government Order first read above, since it was noticed that some mistakes have crept in advertently, as the list of places comes under the Municipal area also incorporated in the list annexed in the Government Order first read above.

3. In the notification dated 5.4.2018, the Medical Council of India has among others incorporated the regulation 9(4) as follows:

“(4) The reservation of seats in Medical Colleges/institutions for respective categories shall be as per applicable laws prevailing in States/Union Territories. An all India merit list as well as State-wise merit list of the eligible candidates shall be prepared on the basis of the marks obtained in National Eligibility-cum-Entrance Test and candidates shall be admitted to Postgraduate Courses from the said merit lists only.

Provided that in determining the merit of candidates who are in service of Government. public authority, weightage in the marks may be given by the Government/Competent Authority as an incentive upto 10% of the marks obtained for each year of service in remote and/or difficult areas or Rural areas upto maximum of 30% of the marks obtained in National Eligibility-cum-Entrance Test. The remote and / or difficult areas or rural areas shall be as notified by State Government / Competent authority from time to time.”

4. Against the above orders of the Government, certain in-service and non-service Medical Officers have filed Writ Petitions (W.P. Nos. 7231, 7857 to 7861, 8116, 8117 and 8442 of 2018) before the Hon'ble High Court of Madras. In its

common orders fourth read above, the Hon'ble High Court of Madras has among other observations held that the impugned Government Orders to be reviewed and the exercise in identifying the remote/difficult areas should be redone in a proper perspective manner in consultation with the Expert Committee. Further, the impugned Government Orders are held to be illegal and therefore, allowed the Writ Petitions with the above directions.

5. Aggrieved with the above orders of the Hon'ble High Court of Madras, the Government have filed Writ Appeals (W.A. Nos. 1051, 1117 to 1124 of 2018 in W.P. Nos. 7231, 7857 to 7861, 8116 and 8117 of 2018) before the Hon'ble Division Bench of the High Court of Madras.

6. In its common orders fifth read above, the Hon'ble Division Bench of High Court of Madras, has pronounced the orders as follows:

“37. In view of the above, the Government is directed to complete the process of selection of medical Post Graduate Degree / Diploma Course in the medical education and proceed with the admission as indicated in the schedule for the academic year 2018-19. It is made clear that the weightage (incentive) by way of additional marks ought not to be extended to A3 category which as per the earlier conclusion, is not entitled to such benefit.

38. In the result, the Writ Appeals are partly allowed, the judgment of the learned single Judge is modified and the Writ Petitions are accordingly disposed of on the aforesaid terms. No costs. Consequently, all connected CMPs are closed.”

“39.....In order to avoid such recurrence in future towards categorization of Doctors who are employed in remote, difficult and rural areas for the purpose of benefit of additional weightage as envisaged in proviso to Sub-clause IV of Regulation 9, it is suggested that the Committee of experts may be headed by a retired Judge of the High Court. This is more so, when repeatedly such identification or categorization is put to challenge in the legal forum, so that the experts who are part of the Committee, will have the benefit of legal acumen from the Judge concerned while making the recommendations for identifying the areas in tune with the proviso to Sub-clause IV of Regulation 9 and also in line with the directions of the Hon'ble Supreme Court of India and other High Courts. We do hope that the Government bear this in mind while constituting any further Committee/s for future academic years in respect of admissions to Post Graduate Degree / Diploma courses.”

7. The Government have examined the above orders of the Hon'ble Division Bench of the High Court of Madras and in the light of the time limit prescribed by the Hon'ble Supreme Court of India for completing the counseling process and have decided to comply with the orders of the Hon'ble Division Bench of the High Court of Madras and to delete the Category A3 in the Government Order first and second read above (i.e. Posts in all CEmONC/ Trauma / Accident / Emergency care/NICU/SNCU Units, irrespective of the location of such units in any type of institution, district and geography). Accordingly, orders have been issued by deleting the above category in Government Order sixth read above and completed the

admission process for Post Graduate Degree and Diploma courses for the academic year 2018-2019.

8. Based on the observation made by the Hon'ble Division Bench of High Court of Madras in its orders dated 17.5.2018, in para 39, the Government have constituted a Committee under the Chairmanship of Hon'ble Justice Thiru A.Selvam, (Retd.), High Court Judge of Madras in the Government Order seventh read above, to identify remote / difficult / rural areas for awarding incentive marks to the in-service Medical Officers for the admission to Post Graduate Degree / Diploma Courses from the academic year 2019 – 2020 in consonance with the Medical Council of India's Post Graduate Regulations, consisting with the following members:-

1)	Hon'ble Thiru Justice A. Selvam, High Court of Madras, Chennai	-	Chairman
2)	The Managing Director, Tamil Nadu Medical Services Corporation, Chennai-8	-	Member
3)	The Director of Medical Education, Chennai-10	-	Member
4)	The Director of Medical and Rural Health Services, Chennai-6	-	Member
5)	The Director of Public Health and Preventive Medicine, Chennai-6	-	Member
6)	One Demography expert from the University of Madras / Anna University / Department of Statistics as decided by the Chairman	-	Member
7)	Additional Director of Medical Education / Secretary, Selection Committee, O/o. the Director of Medical Education, Chennai-10	-	Member Secretary Convener

9. The Committee after careful examination submitted their report along with its recommendations through their Member Secretary, in their letters eighth read above. In their recommendations, the committee has concluded for awarding incentive marks to the Medical Officers who are working in Government Medical Institutions by classifying the institutions into five categories as mentioned below:

Sl. No.	Area		% of marks to be awarded
1.	Difficult Areas in Hills	-	10 % of marks per year
2.	Difficult Areas in Plains	-	9 % of marks per year
3.	Remote Area	-	8 % of marks per year
4.	Rural Areas	-	5 % of marks per year
5.	Urban Areas (Municipal / Corporation Areas)	-	No incentive marks

The Committee has further requested the Government to consider the following recommendations:-

- I. To take up the issue of awarding marks on the basis of nature of work (Critical Life Saving interventions demanding 24 hours duties like NICU, CEmONC, Trauma, Casualty) in addition to area based incentives with Medical Council of India for bringing in necessary amendments in the relevant Act.
- II. To reintroduce 50 percent reservation for in-service candidates in Post Graduate Medical Seats, considering the fact that the Government of Tamil Nadu has decided to convert all Post Graduate Diploma into Post Graduate Degree courses in line with the decision of Medical Council of India to do away with Diploma Courses.

10. The Government have examined the report of the Committee headed by Hon'ble Justice Thiru.A.Selvam, High Court Judge (Retd.) along with its recommendations made therein and the Government have decided to accept the recommendation of the Committee. The Government accordingly do and hereby direct that the recommendations of the Committee in regard to awarding of incentive marks to the in-service candidates for their service rendered in the Government Hospitals / Primary Health Centres for admission to Post Graduate Medical Courses as per Regulation 9(4) of the Post Graduate Medical Education Regulations, 2000 by considering their working places be accepted and the incentive marks to the in-service Medical Officers be awarded based on their working place as classified under the following categories for getting admission in Post Graduate Medical Degree / Diploma / 6 years M.Ch. (Neuro Surgery) and MDS Courses, subject to the amendments to Regulation 9(4) of the Post Graduate Medical Education Regulations, 2000 that would be made by the Medical Council of India in respect of awarding of incentive marks from time to time.

- i. **Difficult Areas in Hills** - All Government Health Facilities in hilly areas are categorized as difficult areas in hills. These areas are covered by forests and mostly inhabited by wild animals where often wild animals stay into human habitations. Difficulties in transportation, difficulties encountered in acclimatization for people from plains and inadequate housing facilities deter doctors taking up placements in Government Health Facilities located in these areas. As a result, vacancies persist in these areas categorized as "Difficult Areas in Hills". Medical Officers serving in these institutions are eligible for incentive marks @ 10 percent of the marks secured in NEET per year of service in these identified areas.

Difficult Areas in Plains - All Government Health Facilities with poor accessibility, with their service coverage areas extending into the hills or reserve forests, located in foot hills, backward areas are categorized "Difficult Areas in Plans". Medical Officers serving in these institutions are eligible for incentive marks @ 9 percent of the marks secured in NEET per year of service in these identified areas.

Remote Area - All Government institutions with inadequate transport facilities due to remoteness of the areas and difficulties in filling up vacancies are categorized as "Remote". Medical Officers serving in these institutions are eligible for incentive marks @ 8 percent of the marks secured in NEET per year of service in these identified areas.

Rural Areas - Medical Officers serving in Government Health Facilities located in rural areas, except those institutions included under the categories of Difficult Areas - Hills, Difficult Areas – Plains and Remote Areas, are categorized as “Rural”. Medical Officers serving in these Government Health Facilities are eligible for incentive marks @ 5 percent of the marks secured in NEET per year of service in these identified areas.

Urban Areas (Municipal/ Corporation Areas) - Medical Officers serving in Government Health Facilities located in Municipal / Corporation areas are categorized as “Urban areas”. Medical Officers serving in these Government Health Facilities located in these areas are not eligible for any incentive marks.

In the regulation of the Medical Council of India, the Medical Council of India has amended the Regulation 9 (IV) of the Post Graduate Medical Education Regulation 2000 by introducing proviso to Para – IV and Para-VII. Para-IV and Para-VII as amended read as under:-

“(IV)The reservation of seats in Medical Colleges/institutions for respective categories shall be as per applicable laws prevailing in States/Union Territories. The remote and/or difficult areas or Rural areas shall be as notified by State Government/Competent authority from time to time.”

2. There were multiple number of cases filed by different sections of Doctors against the scheme for awarding incentive marks for the service Doctors for admission to the Post Graduate / Diploma courses during the year 2017-18. In Government order 2nd read above, the Government have constituted, a High Level Committee under the Chairmanship of Dr. P. Umanath, IAS., Managing Director, Tamil Nadu Medical Service Corporation Limited, Chennai for identifying the areas, which are remote, difficult and rural for giving incentive marks to the in-service Medical Officers. Accordingly, the Committee after detailed examination, submitted its report along with specific recommendation for awarding incentive marks to the inservice Medical Officers who are working in remote and / or difficult areas or rural areas.

3. In the Government order third read above, orders were issued accepting the recommendation of the Committee and incorporating the list of places for each category furnished by the Director of Medical Education / Director of Medical and Rural Health Services / Director of Public Health and Preventive Medicine as recommended in the report of the Committee. Subsequently, an amendment has also been issued vide Government order forth read above.

4. Aggrieved with the Government orders third, fourth and fifth read above, Dr. Pravin and others have filed a batch of Writ Petitions (W.P. Nos. 7231, 7857 to 7861, 8116, 8117, and 8442 of 2018) before the Hon'ble High Court of Madras with a prayer to quash the said Government orders and to extend the benefit for giving incentive marks to the petitioners' Medical College also.

5. In its common orders dated 18.4.2018 in Writ Petitions (W.P. Nos. 7231, 7857 to 7861, 8116, 8117, and 8442 of 2018), the Hon'ble High Court of Madras has ordered among others as follows:-

34. 'Doctor' profession is one of the noblest professions, apart from Teaching and Law, and Doctors must ensure that their services are available to the needy and that they must try to get accommodation in Post-graduate Medical Courses, de hors grant of incentive marks. However, in the light of the decisions of the Supreme Court in Dr.Narendra Soni's case, Amit Bagra's case and taking into account the flaws of the Committee in the identification of remote/difficult areas, the Government Orders in question are liable to be interfered with and accordingly, both the Government Orders, vide G.O.(Ms) No.75, Health and Family Welfare (MCA-1) Department, dated 09.03.2018 and G.O.(Ms) No.96, Health and Family Welfare (MCA-1) Department, dated 23.03.2018 are declared to be illegal. I am of the view that the Respondent/State should redo the exercise in identifying remote/difficult areas in a proper perspective, in consultation with the Expert Committee.

37. In the result, Writ Petitions in W.P.Nos.7231 of 2018, W.P.Nos.7857 to 7861 of 2018 and W.P.Nos. 8116 and 8117 of 2018 are allowed with the above direction(s) and observation(s) and W.P.No.8442 of 2018 is disposed of with the above observation. No costs."

6. Against the above orders of the Hon'ble High Court of Madras, the Government have filed a Writ Appeal (W.A. Nos. 1051 of 2018 and others) before the Hon'ble High Court of Madras. In its common order dated 17.5.2018, the Hon'ble High Court of Madras, among others, has passed the orders as follows:

"37. In view of the above, the Government is directed to complete the process of selection of medical Post Graduate Degree / Diploma Course in the medical education and proceed with the admission as indicated in the schedule for the academic year 2018-19. It is made clear that the weightage (incentive) by way of additional marks ought not to be extended to A3 category which as per the earlier conclusion, is not entitled to such benefit.

38. In the result, the Writ Appeals are partly allowed, the judgment of the learned single Judge is modified and the Writ Petitions are accordingly disposed of on the aforesaid terms. No costs. Consequently, all connected CMPs are closed.

39. Before parting with these appeals, we also take note of certain concerned reservations expressed by the parties and the manner in which the areas identified by the Committee disregarding certain directions issued by the Hon'ble Supreme Court of India. In each time of such identification and categorization takes place, it is always put to challenge by the aggrieved section) who were omitted to be included or section which is held not entitled and the admission process gets completely derailed every academic year. In such event, the Courts are forced to pass orders more on the basis of expediency only to protect the interest of the public at large. In order to avoid such recurrence in future towards categorization of Doctors who are employed in remote, difficult and rural areas for the purpose of benefit of additional weightage as envisaged in proviso to Sub-clause IV of Regulation 9, it is suggested that the Committee of experts may be headed by a retired Judge of the High Court. This is more so, when repeatedly such identification or categorization is put to challenge in the legal forum, so that the experts who are part of the Committee, will have the benefit of legal acumen from the Judge concerned while making the recommendations for identifying the areas in tune with the proviso to Sub-clause IV of Regulation 9 and also in line with the directions of the Hon'ble Supreme Court of India and other High Courts. We do hope that the Government bear this in mind while constituting any further Committee/s for future academic years in respect of admissions to Post Graduate Degree / Diploma courses."

7. As per the orders of the Hon'ble Court, necessary amendments were issued vide Government order sixth read above by excluding the category-A3 from the Government Order third read above.

8. Further, the Government have examine the suggestion of the Hon'ble High Court of Madras in the said Writ Appeal to constitute a Committee headed by a retired High Court Judge for identifying the remote, difficult and rural areas for the purpose of awarding incentive marks to the in-service Medical Officers for getting
